

Planning Considerations

Start your journey by applying for an [HDB Flat Eligibility \(HFE\) letter](#) via [My Flat Dashboard](#) for a holistic understanding of your housing and financing options before you embark on your home buying journey. The HFE letter will inform you upfront of your eligibility to buy a new or resale flat, as well as the amounts of CPF housing grants and HDB housing loan you are eligible for. Read our [frequently asked questions](#) on the HFE letter.

Read our guides below when planning your resale flat purchase:

Finding a flat

After obtaining an HFE letter, you may [look for a suitable flat](#) that meets your budget and needs.

Read our guide on [finding a flat](#) for more information on the Resale Flat Listing (RFL) service and other services you can use to help plan and prepare for your flat purchase.

Managing the flat purchase

You can either manage the flat purchase on your own or engage the services of a salesperson.

If you are managing the flat purchase on your own, read our [guide](#) on preparations for the flat purchase, such as considering your budget, searching for a flat and negotiating the price. The guide also includes practical tips on engaging a salesperson, if you decide to do so.

If you are engaging a salesperson, check the salesperson's phone number with [CEA's Public Register](#) to verify the identity of the salesperson and ensure that he/ she is a registered salesperson, and safeguard yourself against scammers.

Important note:

The applicant(s) and occupier(s) listed in your resale flat application must remain the same as those in your HFE letter application.

If you need to make any changes to your HFE letter, e.g. addition/ removal of household member(s), change in status from an applicant to an occupier or vice versa, marital status, citizenship, ownership of private properties, etc., please follow the steps below:
